APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the point of diversion, place and manner of use of Claim Nos. 812 and 813 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

In consideration of the 7% transmission loss from the Lost Lakes to Carson City, the total quantity of water allowed to be diverted from the Carson City infiltration wells under Permit 73217-T is 203.67 acre-feet.

Water released throughout the winter months must be captured within two weeks from releasing from Lost Lakes.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on March 31, 2006 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

(Continued on Page 3)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed and not to exceed 203.67 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before:

Proof of completion of work shall be filed on or before:

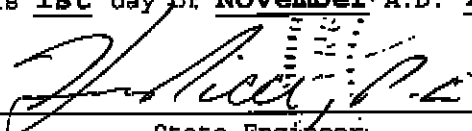

Water must be placed to beneficial use on or before:

Proof of the application of water to beneficial use shall be filed on or before:

Map in support of proof of beneficial use shall be filed on or before:
